IPNC

At the April 18, 2017 Session meeting, the session voted to approve a candidate to be called as our interim pastor. With the help of Reverend John Cairns, our Committee On Ministry (COM) mentor and session moderator, a proposed contract was prepared. Our candidate will now go through the approval of our Presbytery's COM. This will take several weeks.

Joyce Johnson, Chair, IPNC

Our Mission is:

LOVING GOD,

We are a community of faith, called together by Jesus Christ to love God with all our heart, and all our soul, and all our minds, and all our strength. (Mark 12:30)

LOVING LIFE,

Southwest Florida is the best place we know to live out our faith with one another, learning together and loving each other.

LOVING OUR NEIGHBORS

We were created by God, each with a unique gift to share with our neighbors. We are encouraging and empowering the sharing of gifts with the world in Jesus' name.

Mission:

Beth-El food donations as well as quilts and sweaters made by Needles and Knots were delivered in March.

Mision Peniel- non perishable food items are collected in the red wagon in the narthex and delivered periodically.

Three-Cents-A-Meal donations, last collection was April 30, are divided equally among Beth-El, Mision Peniel and Our Daily Bread.

Hope Seeds, One Great Hour of Sharing, Hope Family Services and Presbytery causes received monetary donations for the first quarter. These donations come from the Mission Memorial Fund.

LOOKING AHEAD: School Supplies for Beth-El will be collected during the month of July (school begins the beginning of August). There are always great sale prices on school supplies in July. A complete list of needed items will be in the July/August Footprints. However, pencils, erasers, notebooks, folders, markers, colored pencils, glue sticks, backpacks are always on the list.

WE CELEBRATE THE MONTH OF THE MILITARY CHILD

“The official flower of the military child is the dandelion. Why? The plant puts down roots almost anywhere, and it’s almost impossible to destroy. It’s an unpretentious plant, yet good looking. It’s a survivor in a broad range of climates. Military children bloom everywhere the winds carry them. They are hardy and upright. Their roots are strong, cultivated deeply in the culture of the military, planted swiftly and surely. They’re ready to fly in the breezes that take them to new adventures, new lands, and new friends.”
